

Privacy Policy for onZone App

=====

Last updated: November 13, 2024

Introduction

onZone ("we," "our," or "us") is committed to protecting the privacy of our users ("you" or "your"). This Privacy Policy explains how we handle information when you use our mobile application ("App").

Please read this Privacy Policy carefully. By using the App, you agree to the collection and use of information in accordance with this policy.

Data Collection and Usage

Location Data

- * The App requires access to your device's location services to provide real-time alerts about nearby speed cameras
- * Location data is processed locally on your device only
- * We do not collect, store, or transmit your location information
- * Location permissions can be managed through your device settings

Camera Location Data

- * Speed camera location data is provided by Transport for NSW
- * This public data is updated regularly through the official Transport for NSW API

- * We do not modify or store this data separately

Personal Information

- * We do not collect any personal information
- * No user registration is needed
- * No personal details are requested

Device Data

- * We do not collect device information
- * We do not access or store any data from your device
- * No analytics or tracking systems are implemented

How The App Works

Our App:

- * Uses your current location (processed locally only) to determine proximity to speed cameras
- * Retrieves public speed camera data from Transport for NSW
- * Provides real-time alerts based on your location relative to camera locations
- * All processing happens on your device

Push Notifications

- * Push notifications are processed locally on your device
- * Notification preferences can be managed through your device settings
- * No notification data is collected or stored by us

Data Security

Since we don't collect or store any user data:

- * No personal information is at risk
- * No data is shared with third parties
- * No data breach risks exist for personal information

Third-Party Services

The only third-party service we use is:

- * Transport for NSW API for speed camera locations
- * This is public data provided by the NSW government

Children's Privacy

Our App:

- * Does not collect information from anyone, including children
- * Does not require age verification as no personal data is collected
- * Is suitable for all ages as per App Store guidelines

Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be posted within the App and on our website.

Your Rights

Since we don't collect any personal data, there is no need to:

- * Request access to your data
- * Request deletion of your data
- * Modify any stored information

Contact Us

If you have questions about this Privacy Policy, please contact us at:

- * Email: hieulx.swe@gmail.com

Compliance

This App complies with:

- * Apple's App Store Guidelines
- * Australian Privacy Principles (APP)
- * Transport for NSW data usage guidelines

Local Storage

- * Any app preferences are stored locally on your device only
- * You can clear all app data through your device settings at any time

Your Consent

By using our App, you consent to:

- * The use of your device's location services for receiving alerts
- * Receiving push notifications (which can be disabled in settings)
- * The app accessing Transport for NSW public data

This Privacy Policy is effective as of November 13, 2024, and will remain in effect except with respect to any changes in its provisions in the future.
