

Privacy Policy for Spendly

Last updated: January 5, 2025

1. Introduction

Thank you for using Spendly ("we", "our", or "Spendly"). This privacy policy explains how we handle information related to the use of our application.

2. No Data Collection

Spendly is designed with user privacy as a top priority. We are committed to:

- Not collecting any personal information
- Not requiring user account creation
- Not tracking user activities
- Not storing data on our servers

3. Local Data

All data created in the application (including expenses and savings) is stored locally on your device only. You have complete control over your data:

- Data exists only on your device
- You can delete data at any time by uninstalling the application
- No copies of your data are stored on our servers

4. Device Permissions

Our application may require some basic access permissions to operate on your device, but we do not use these permissions to collect any information.

5. Policy Changes

We may update this policy from time to time. Any changes will be posted on this page.

6. Contact

If you have any questions about this policy, please contact us at:

- Email: hieulx.swe@gmail.com
- Website: <https://hieulxswe.github.io>

7. Legal Compliance

This policy complies with international privacy standards and data protection regulations.
